

CITY OF OCEAN CITY

AMERICA'S GREATEST FAMILY RESORT

DIVISIONS OF
REVENUE COLLECTION & PARKING REGULATIONS

March 14, 2007

Belfort Instrument Company
727 South Wolfe Street
Baltimore, MD 21231

To Whom It May Concern:

As the Manager of Public Transportation & Revenue Collection for the City of Ocean City, New Jersey my responsibilities include managing the Ocean City Municipal Airport (26N). We have had a Belfort DigiWx automated weather station installed since March of 2003. The DigiWx has preformed as advertised since its installation.

We believe the DigiWx weather reporting has added increased safety to our flight operations here at the airport. But what I have been most impressed with is the service and support provided by the factory. I found the Belfort technical support people to be very responsive, knowledgeable and always ready to solve a problem.

We are so satisfied with the Belfort DigiWx that the airport is preparing to upgrade the system to an AWOS by adding a ceilometer and other equipment later this year.

Keep up the good work.

Sincerely,

A handwritten signature in blue ink that reads "William R. Colangelo".

William R. Colangelo
Manager of Public Transportation &
Revenue Collection
